

The Mission of the Land Trust is to:

Protect and link the natural areas, agricultural lands and special places of Indian River County.

Provide for appropriate educational and recreational use of conservation areas.

Promote sound land use planning with respect to these land and water resources.

Greenprint for the Future

A Vision for Land Conservation in
Indian River County
July, 2008

Greenprint Priorities	Potential Ag Conservation Areas	Urban Service Area
High Critical	Water	Major Roads
